Northern California Minority Junior Golf Scholarship Association

Northern California Minority Junior Golf Scholarship Association was incorporated in July 1990 as a not-for-profit corporation to promote education, junior golf, and provide scholarships and financial assistance to deserving young people. This corporation was designed so that minority youths, at an early age, can be exposed to the great game of golf at little or no cost. The corporation's programs will provide training in competitive golfing skills along with supporting academic achievement for those who wish to attend college. The Executive Officers and Board of Directors of this corporation volunteer their time and services.

Please support us in this cause by participating in the upcoming *Sacramento River City Golf Classic & Fundraiser* and/or making a tax-exempt donation directly to our scholarship endowment fund. Donations are accepted throughout the year.
